 Effective date: 07 Oct 2021

**Declaring Runway Distances and Displacing Threshold**

Extensive reconstruction work will be carried out on RWY 17/35 by replacing the pavement with new one. The construction will take place on the part of RWY 17/35 in the length of 300m and width 45 starting from threshold 35.

All changes will be published by NOTAM

**Schedule of the construction work**

Ongoing reconstruction work on pavement of RWY 17/35 will be carried out until **4 November 2021**.

**Operational Restrictions**

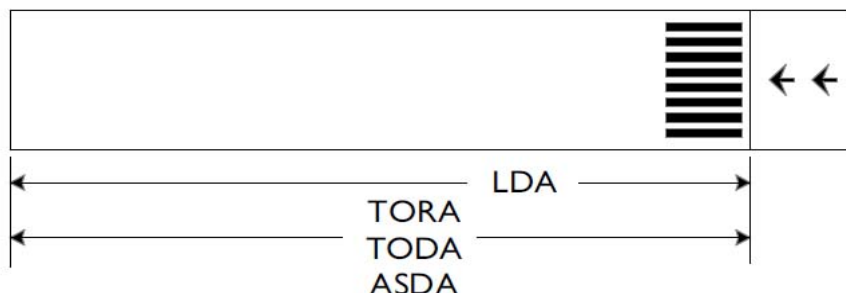

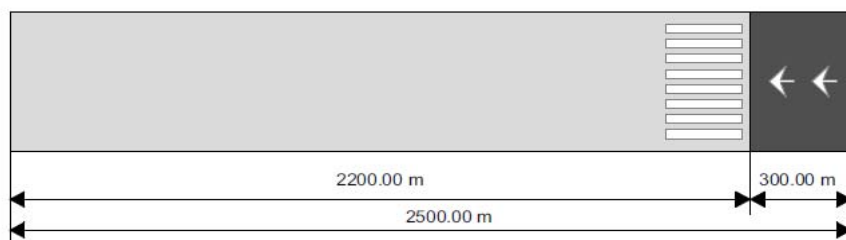

During the construction work RWY 17/35 will be shortened from 2500m to 2200m. Threshold 35 will be temporarily displaced by 300m towards North.

TWY Foxtrot not available.

Part of RWY 17/35, in the length of 300m will be closed for traffic 24h including taxi. Temporarily changes of physical characteristics of RWY 17/35 and declared distances are shown below:

**NEW THRESHOLD (DISPLACED TEMPORARY THRESHOLD)**

x=7503006,1647                      021°02'11.809"E      1782.8871 ft  
 y=4713990,3373                    42°33'56.098"N  
 z=543,424

Declared distances				
Runway	TORA	TODA	ASDA	LDA
17	2200m	2200m	2200m	2200m
35	2200m	2200m	2200m	2200m
