AIP SUP
02/2022

Effective date: 01 Sep 2022

Subject

Restrictions of use of BKPR AD, due to the construction on taxiways A2, A1, C, E, and portions of A3.

Introduction

Construction of taxiway shoulders is in progress.

The works are due to complete in December 2022.

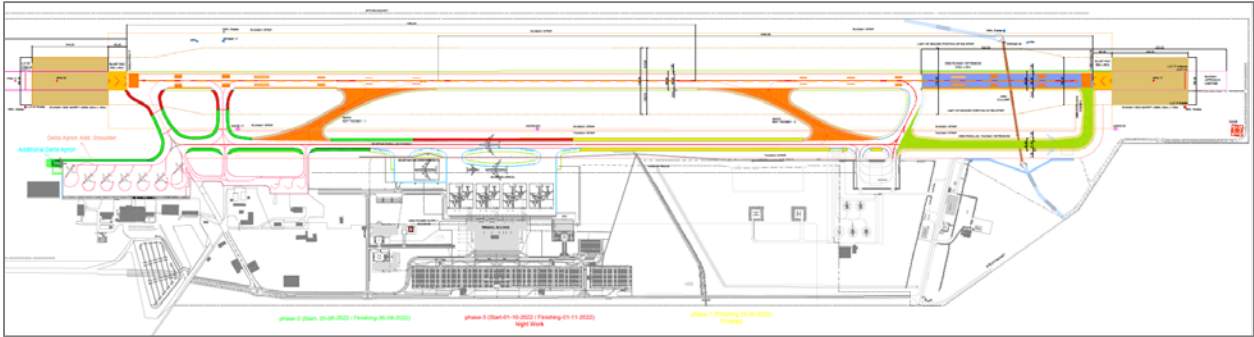

Operational changes

The operational changes will take place during the work phase only. From the post-work phase, the taxiway's regular operational use will become effective.

-Appendix-

-Description of Works- BKPR

This supplement cancels the AIP SUP 01/2022

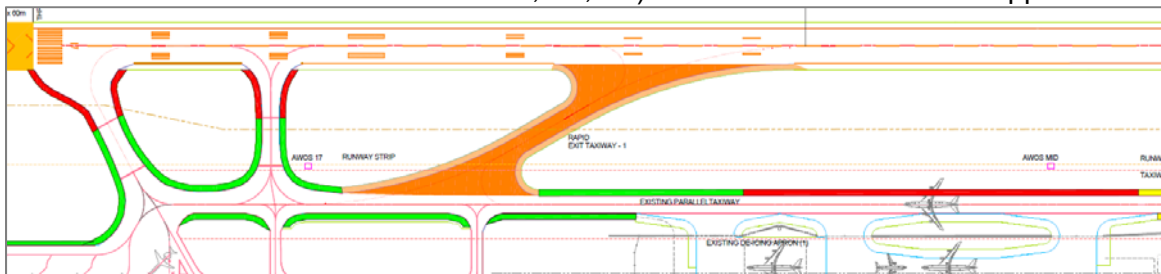

This SUP AIP describes the location of the working areas in 2 remaining work phases, which will be activated by NOTAM.
